

Teacher's Notes for Launching *Heroes & Villains*

As you begin to integrate *Heroes & Villains* into your instruction, you may find it helpful to consider how it relates to topics you already teach. Below is a curricular planning map so that you and your colleagues can do just that—and determine where and how you can naturally *weave character themes into the curricula you are already teaching*.

Curricular Planning

If you would like to collaborate with colleagues to align your teaching of various themes across your subject areas, a simplified curriculum map may be a quick, easy, and useful tool. See the example below. A blank, full-page version is on the following page.

Notes:

- The history and art teachers have a natural fit, in that both are covering nineteenth century United States.
- Though the English classes are in a different century entirely since they will be reading Homer's *The Odyssey*, they have the opportunity to team up with the history and art teachers by reinforcing the character theme of perseverance in the course of their studies during those weeks.
